Assembly Instructions

1. Print the following binder pages on card stock in 2 sections:
   - First, choose to print Pages 3-9 Single Sided.
   - Next, print the remainder of the document, pages 10-38 Double Sided.
2. Carefully cut out the binder tabs on pages 3-4.
3. Page 5, "My Meal Planner" is the Binder Cover.
4. The rest of the pages can be placed in sheet protectors.
5. The 3 large tabs on the next page can be attached to the Weekly Meal Plan Divider, Family Favorites List, and Last Minute Dinner List.

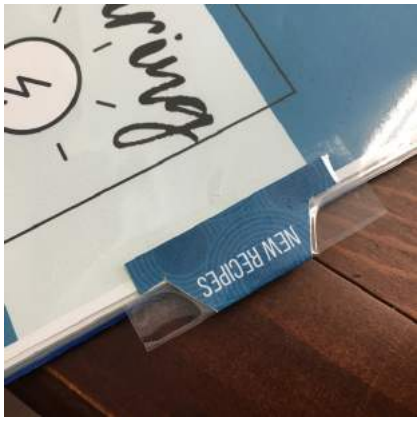

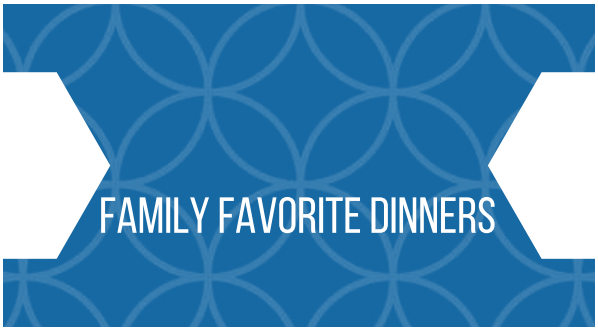

6. Place each recipe category page in a page protector. The back side of the category page is an index in which you can write the names of the recipes so that you can quickly see your recipes at a glance.
7. Use packaging tape (2 inch width is perfect) to attach recipe binder tabs on page 2 to recipe dividers as shown in the photos below. Trim off excess tape.
8. Fill out the lined sheets for family favorite meals, last minute dinner ideas, and recipe inventory sheets. Refer to the meal planning guide for some great ideas on filling out these sheets.
